## RECESS!!!

Alright, Falcons. You've spent 6 weeks earning those Falcon Bucks. Now it's all about to pay off. On Friday, September 15<sup>th</sup>, Northview Middle School will be running an early release schedule to reward students who have earned a considerable amount of Falcon Bucks with some FUN!

### The Schedule:

2<sup>nd</sup> Period (approx. 70 minutes)

4<sup>th</sup> Period (approx. 70 minutes + lunch)

6<sup>th</sup> Period (approx. 70 minutes)

8<sup>th</sup> Period (approx. 70 minutes)

RECESS! (approx. 70 minutes)

The cost to attend recess is 20 Falcon Bucks, due to your advisory teacher by the end of advisory on Wednesday.

### What will be going on outside:

Each grade level will go to an assigned location

6<sup>th</sup> grade → Soccer Field

7<sup>th</sup> grade → Football Field

8<sup>th</sup> grade → Baseball Field

At each location, there will be a number of organized activities going on, such as ultimate Frisbee, kickball, soccer, football, etc. There will be concessions available for purchase (Sorry, no Falcon Bucks - - - real cash only!) Students will also be allowed to use their phones/electronic devices.

### What will be going on inside:

Students will meet in a location with computer access and will be allowed to have computer free time (play games, watch videos, etc.)

*If you do not have enough Falcon Bucks to attend either event, you will be placed in a study hall during this time. As part of that study hall, it will be required that you complete homework or work on late/missing assignments. If you don't have any academic work assigned by your teachers, then you will be expected to work on math or English practice on IXL.*

## Washington Township Takes Washington D.C. 2K17

All 8<sup>th</sup> graders who are already registered for the fall break trip to Washington D.C. need to plan on attending a mandatory information meeting this Wednesday, September 13<sup>th</sup>, at 7:00 pm in the Northview Middle School auditorium.

*\*\*\*If you did not previously register, it is unfortunately too late to do so. Early registration is required to work out the details of the trip (number of busses, hotel rooms, and chaperones needed.)\*\*\**

## What's Happening in Performing Arts

All music classes will be starting fundraisers this week, beginning Monday, September 11<sup>th</sup> and running through Friday, September 22<sup>nd</sup>. Orders can be placed online or in person with any band, choir, or orchestra student.

### - Fall Concerts and Performances -

On Friday, September 15<sup>th</sup>, the 8<sup>th</sup> grade band will perform during halftime at the North Central football game.

The "Under Construction" Choir Concert will take place next Tuesday, September 19<sup>th</sup> at 7:30 pm in the NVMS auditorium. Students have chosen to collect donations for the flood victims of the recent hurricanes rather than set admission fees.

The Orchestra Fall Festival Concert will take place on Monday, September 25<sup>th</sup> at 7:00pm in the North Central performing arts classroom.

On Tuesday, September 26<sup>th</sup>, the 8<sup>th</sup> grade band will perform on stage as part of the NCHS fall concert.

## Shout-Outs! Big things happening at NVMS

### Falcons of the Week:

Elias Munoz - he has gone above and beyond as a Student Ambassador! Always has a smile on his face, always going the extra mile to make new students feel welcome. Elias has given TONS of tours to new kids. He's all-around AMAZING! From Mrs. Dodson

A big shout out to Mr. Matt's 7th/8th block for having the highest class average on Quiz 3! We either win or learn. Let's see who wins next week!

Also...

The Hat Day spirit day brought in a total of \$137 for the Houston Food Bank. Way to go, Falcons! We are both spirited and caring.

## NVMS Pro Tip of the Week: Productive Passing Periods

Hey Falcon fam! We're doing a pretty good job of getting to class at this point in the year. Just remember that your passing period is the time to make those locker stops and restroom trips so that you don't miss any of the important work that occurs during your classes. Also remember to walk with a purpose and budget your time. Although the warning bell is awesome and so helpful, if you spend your time in the hall socializing until you hear it, you may be setting yourself up for a potential tardy or the more painful head-on collision with a classmate as you are running to class. Use your time wisely, and set yourself up for a successful, stress-free day. Major key.
