NEW RULE ALERT

Starting August 1st, 2018, NVMS is implementing a new electronics policy. **All cell phones and electronic devices are to be securely stored in students' lockers from the time they arrive in the morning until dismissal.** This applies to *all* students, regardless of gold card status. If you have your phone out during the day, it will be confiscated and turned in to the main office. It will stay there until a parent picks it up or a week passes by. Just leave it in your locker, Falcons!

Tired of waiting at the bus stop FOREVER in the mornings?

MSDWT is excited to offer a cool new app that will help your parents track the progress of your bus along its route in real time! For more information or instructions on how to download the app, visit the MSDWT transportation website.
