## NVMS Pro Tip of the Week: *Building a Better School*

Hey Falcon fam! We all want our school to be a fun, safe, and relaxing place where we feel comfortable and welcome. But how do we make that happen? Remember that change begins with you. When we say "Keep Northview Beautiful", we don't just mean that it is important to keep our physical space neat and tidy. Our environment is also made up of the words, actions, and attitudes we bring into our shared space. It is important to remember to treat others with respect, both your fellow classmates and the teachers and other staff members who work every day to bring you a quality education. Be kind and help each other out. Use language that builds people up, not tears them down. Create peace and unity, not drama.
