

**Supporting our Teachers and Kids – We Each Can Make a Difference
Connect with Your Northview PTO!**

We know the middle school years are a time of great change for our kids, so being part of the Northview Middle School PTO can help us support them – and each other! Please connect with the PTO by giving us your contact information below so you can be part of our network.

We organize for events using a “SignUp Genius” and also e-mail/call/text specific volunteers depending on your interests and the grade of your student.

What does your Northview PTO do?

- **Organize:** We help with Back to School events, Book Fairs and other events where Northview teachers and staff need parent involvement. We also organize dances for each grade level, and help with events like musicals and concerts.
- **Fund:** We award thousands of dollars in grants to teachers, funding projects that help them enhance our kids’ learning and experiences. These grants impact every student in the school. This means we need to raise approximately \$5,000 each year.
- **Appreciate:** We organize teacher appreciation breakfasts and lunch events to help our hard-working staff know how much we appreciate them.

With questions, contact PTO president Kenda Friend (bkfriend@comcast.net) or the school office.
