Subject: [EXTERNAL] Northview PTO Meeting
Date: Thursday, August 20, 2020 10:01:02 AM

Please see below for a message from Northview's PTO President, Mrs. Crystal Haffner:

We welcome all parents and families to participate in the PTO! In a year where all things seem to be new and different – so is the PTO. But, in a good way! As a parent/family member/guardian of a Northview Middle School student, you are automatically a member of the PTO. The PTO supports the NVMS faculty in a variety of ways throughout the school year including:

- **Funding Teacher Grants**
- **Celebrating Teachers (i.e. Decorating Staff Spaces, Providing Breakfasts, Providing Lunches, etc...)**
- **Fundraising**
- **Community Engagement (i.e. call on local companies to get prizes for students)**
 - **Mr. Pelych has some great things planned for drawings to get our Falcons excited**
- **Special events to help promote a fun and healthy school culture**

Our first virtual meeting of the school year will be held on this upcoming **Tuesday, August 25 at 7:00pm. The meeting will be held virtually and the link to join can be found here: <https://us02web.zoom.us/j/88479176306>.**

We are looking for your talent, treasure, and/or time. Big or small, there are many ways to volunteer and get involved. We are looking for chairs or co-chairs in every area listed above.

We certainly hope you will join us Tuesday evening to hear about the 2020 - 2021 school year. Mr. Pelych will also be joining the call to conduct a short question and answer session. Please submit your questions to crystalhaffner@gmail.com prior to the meeting!

Happy to collaborate and answer any questions.

Crystal Haffner, PTO President

M S D Washington Township would like to continue connecting with you via email. If you prefer to be removed from our list, please contact M S D Washington Township directly. To stop receiving all email messages distributed through our Skylert service, follow this link and confirm: [Unsubscribe](#)

Skylert is a notification service used by the nation's leading school systems to connect with parents, students and staff through voice, SMS text, email, and social media.
