## Virtual BEST BUDDIES

[Best Buddies](#) is an organization dedicated to fostering one-to-one friendships between students with intellectual/developmental disabilities and their typical peers. Best Buddies Middle Schools helps to create an inclusive middle school culture for all students early on in their educational development. Northview Best Buddies is getting ready to launch our chapter for the 2020-2021 school year!

### Here are descriptions of the roles you can take in Northview's Best Buddies chapter:

**Buddy** - a volunteer with an IDD who is paired in a one-to-one friendship with a person without an IDD.

**Peer Buddy** - a volunteer without an IDD from a school chapter who is paired in a one-to-one friendship with a person with an IDD.

**Associate Member/Buddy** - a chapter member who is not matched in a one-to-one friendship, but who attends chapter meetings and group outings (i.e. part of the club but not matched in a buddy pair).

**Returning to Best Buddies?** To continue your membership in our Best Buddies chapter, you simply need to [click here](#) and sign in to review and update the application you submitted last year. You'll want to confirm your contact information and the role for which you are applying (peer buddy, buddy, associate). If you were a peer buddy last year, we would appreciate it if you would take [Returning Peer Buddy Survey](#) to help guide us in our matching process this year.

**New to Best Buddies?** [Click here](#) to access the online membership application. This application should only be completed under the supervision of a parent when a student has officially committed to joining Best Buddies.

**Applications are due Monday, August 31<sup>st</sup>.** Reach out to [Miss Cosler](#) (Faculty Advisor) or [Mrs. Jennings](#) (Special Education Advisor) if you have any questions.
